Interested in Becoming a Genetic Counselor?! 

Join us for the 7th Annual Genetic Counseling Career Camp 

Come learn about one of the fastest growing careers in the USA and discover why Time Magazine calls Genetic Counseling a “job of the future”!

Are you interested in the genetic counseling profession or simply want to learn more about the field? Are you already planning to be a genetic counselor and wondering how to find the best graduate program for you? Then join us for the 7th Annual Genetic Counseling Career Camp on Saturday, June 1st, 2019 in Salt Lake City! You will have the opportunity to meet and hear from Genetic Counselors working in Utah about their graduate programs and professional experiences.

Learn More About:

➢ Why genetic counseling is an exciting career!
➢ Variety of job opportunities available to genetic counselors
➢ Current genetic counseling graduate school programs
➢ Tips for applying to graduate school
