Course Information

Brief Description of Course

This course provides students with skills to perform well in job searches and interviews, and to present information verbally and in writing to audiences of different backgrounds. It provides a forum to learn from difficult cases, increase clinically useful knowledge and skills, explore negotiation techniques, and expand genetic resources.

Course Objectives

At the conclusion of this course students will be able to:

1. Increase their knowledge, skills and confidence in performing a job search and interviewing for employment.
2. Improve their skills in presenting educational/scientific presentations, scientific writing/ reviewing, and teaching.
3. Expand their knowledge base and repertoire of genetic counseling strategies for use in clinical situations.
4. Expand their knowledge of genetic resources by analysis and presentation of their support group experience.
5. Learn and practice negotiation techniques.
6. Effectively give a presentation on genetics, genomics, and genetic counseling issues.
7. Develop strategies to evaluate genetic tests.

The ACGC Practice-Based Competencies Addressed in this course:

- Genetics and Genomics Expertise: 1; 1.a, 1.b., 1.c.
- Risk Assessment: 2; 2.d.
- Counseling: 3; 3.a, 3.b, 3.c, 3.d.
- Communication: 4; 4.a, 4.b, 4.c.
- Research: 5; 5c.
- Healthcare Systems: 6; 6.a., 6.b., 6.c., 6.d.
- Professional Identity: 7; 7.a, 7.b, 7.c, 7.d.

Course Format & Schedule

Timeline

One semester

Educational and Instructional Modalities

This course is held in person for two 90-minute sessions a week.

Role of the Student in this Course

Students will be expected to engage in a variety of learning activities including reading; class discussions; presentations to peers, supervisors, and individuals in the community; sharing with peers; role plays; writing and creating educational presentations.

Required Textbooks/Readings

- Reading assignments and sources will be found in Canvas under each individual class.

C	73-75
C-	70-72
D+	67-69
D	64-66
D-	60-63
F	Below 60

Standard Policies

The Americans with Disabilities Act.

The University of Utah seeks to provide equal access to its programs, services, and activities for people with disabilities. If you will need accommodations in this class, reasonable prior notice needs to be given to the Center for Disability Services, 162 Olpin Union Building, 801-581-5020. CDS will work with you and the instructor to make arrangements for accommodation. All written information in this course can be made available in an alternative format with prior notification to the Center for Disability Services.

Addressing Sexual Misconduct.

Title IX makes it clear that violence and harassment based on sex and gender (which includes sexual orientation and gender identity/expression) is a civil rights offense subject to the same kinds of accountability and the same kinds of support applied to offenses against other protected categories such as race, national origin, color, religion, age, status as a person with a disability, veteran's status or genetic information. If you or someone you know has been harassed or assaulted, you are encouraged to report it to the Title IX Coordinator in the Office of Equal Opportunity and Affirmative Action, 135 Park Building, 801-581-8365, or the Office of the Dean of Students, 270 Union Building, 801-581-7066. For support and confidential consultation, contact the Center for Student Wellness, 426 SSB, 801-581-7776. To report to the police, contact the Department of Public Safety, 801-585-2677(COPS).

Campus Safety.

The University of Utah values the safety of all campus community members. To report suspicious activity, call campus police at 801-585-COPS (801-585-2677). You will receive important emergency alerts and safety messages regarding campus safety via text message. For more information regarding safety and to view available training resources, including helpful videos, visit safeu.utah.edu.

Alternate Name and/or Personal Pronoun

Class rosters are provided to the instructor with the student's legal name as well as 'Preferred' first name (if previously entered by you in the Student Profile section of your CIS account). While CIS refers to this as merely a preference, we will honor you by referring to you with the name and pronoun that feels best for you in class, on papers, exams, group projects, etc. Please advise us of any name or pronoun changes (and please update CIS) so we can help create a learning environment in which you, your name, and your pronoun will be respected.

Current COVID-19 Campus Guidelines

COVID-19 Guidelines change rapidly. Please access the most current information COVID-19 Central @ The U. coronavirus.utah.edu
